Buildings Insurance

Lessee will be responsible for the maintenance of the property and ensuring that the property has appropriate building insurance in place before completion. As the registered owner of the property the Bank must either be joint insured under the policy or its interest should be endorsed on the policy. Finance will not be released until proof of a valid insurance cover is provided. For leasehold properties where the insurance is controlled by a landlord, you are required to promptly pay all the insurance premiums due.

Tenancy Agreement

The property must be let as a single private dwelling on an Assured Shorthold Tenancy basis. HMOs (House in Multiple Occupation), short term business lets, and holiday lets are not acceptable.

Please note:

KFH PLC Base Rate – means the Kuwait Finance House PLC Base Rate and is used as a benchmark for the pricing of the rent. Our Shariah Supervisory Board have stated that the KFH PLC Base Rate, which tracks the Bank of England base rate can be used as a benchmark for determining the rent in Ijarah. Additionally, the use of such a benchmark is for comparing market rates only and to ensure transparency between the two parties.

You may find that when the payments on your home purchase plan are reassessed due to a change in KFH PLC Base Rate, the amount may change either up or down because the payments are benchmarked against KFH PLC Base Rate.
